128 hours are required for graduation. 40 hours must be upper division (300 level or above).

* Other courses may also meet this requirement. See the Union College Bulletin 2012.

^ Alternate year course.

+ If MATH 111 is required, it is recommended that this class be taken in the fall semester of the first year.

++ A prerequisite may be required for CPTR 220 if student has no previous computer experience.

This sample guide is intended only to show you how a program might be arranged. Course schedules may change and it is possible that your courses will not be taken exactly in the order shown. Your academic advisor will help you design a program around your educational needs and goals.
