Work closely with your advisor to complete the entrance requirements for the program and college you plan to attend after your associate degree. For information about the entrance requirements for Loma Linda University, look at the guide for Union College students provided for each allied health program on the Loma Linda University website <http://www.llu.edu/llu/sahp/transfer/union.pdf>.

This sample guide is intended only to show you how a program might be arranged. Course schedules may change and it is possible that your courses will not be taken exactly in the order shown. Your academic advisor will help you design a program around your educational needs and goals.
